December 1, 2024

Dear Friend of North Mac,

On behalf of the North Mac Public Schools Foundation, I hope this message finds you in good spirits and good health. By now you know the North Mac Public Schools Foundation was formed in 2009 by a group of community members who wanted to help ensure students of the former Girard and Virden school districts would have every opportunity to succeed and to provide support for the new district. Our organization continues to grow and evolve as we remain fully committed to supporting excellence in education and ensuring our schools are competitive with surrounding districts.

Since inception the Foundation has awarded over \$200,000 in classroom resource grants to enhance the educational experience for our students. The investments in our students are made possible by fundraising, memorial donations, and contributions from generous individuals and businesses like you.

In addition to the classroom resource grant program, the Foundation now awards an annual scholarship to a deserving North Mac graduate. The administration of this scholarship, as well as the initial funding, was bestowed upon the Foundation by the Virden Alumni Association

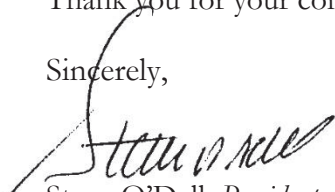

Of course, we always wish we could do more and no matter the circumstances, we will strive to meet the ongoing needs of our district. This is not possible without your support. Our students and faculty need us. And, if possible, we need you. We appreciate all gifts of any amount, and these gifts are put directly to use for our students.

To stay up to date with the Foundation and to see the impact your generosity has in our schools, please follow us on Facebook by searching **North Mac Public Schools Foundation** or by visiting our site at **www.northmacschools.org/foundation**. Also, new this year you can contribute securely online by clicking DONATE on the Foundation's website.

The Foundation is a 501(c)(3) organization which means all gifts are tax deductible as allowed by law., so please consider this opportunity to make the students of North Mac part of your year-end giving.

Thank you for your consideration.

Sincerely,

Steve O'Dell, *President*
