

Dear Parents,

Each week your child will be bringing a school library book home. Please discuss with him/her the careful treatment of books.

On the back of this page are several rules for taking good care of library books. Let your child explain to you what each picture means.

Students may have one book checked out at a time. That book must be returned in order to check out another book. Books that are lost or damaged must be paid for before the student will be allowed to check out another book.

Thank you so much for your help. We are excited about taking books home!

Thank You,

Mrs. Ibberson
