She stated in the Fall of 2016 they began separation negotiations with previous Superintendent, Marica Cullen, and hired a representative from the IASB to help begin the search for a replacement. In February, the district posted the job opening and sent out a community survey to receive feedback on what would be the most important requirements and characteristics for a new supt. They closed the job opening in March and began interviews with the top 6 candidates in early April. From there the board chose the top 2 candidates. A focus committee of about 30 people in the community and staff held an open interview for both candidates in which they could provide feedback to the board after. The candidates then did a 2nd round interview with the Board, and a decision was made thereafter.

5. Motion was made by Worth, seconded by Handy to approve the hiring of Dr. Jay Goble as Superintendent as per contract presented. Yea votes: Handy, Nichols, Spann, Worth, Cole, Hays.
