Fire Safety

We have been learning about fire safety this week! The morning class participated in fire drill (the afternoon class has one scheduled later on), and a few of the firefighters gave up some of their time to return to the school to teach both classes about safety, as well as show them how a firefighter in full gear is not scary. Does your family have an escape plan for your home?

End of the Quarter

Can you believe we are already one quarter in? It blows me away how fast this year is going! I have to say, I am impressed with how the students are adapting to the classroom routine and becoming a school family.

Just some reminders:

*Please make sure your child is dressed for the weather at the time they are in school. We go outside when we are able, and it is early on in our day. Several of our students have been asking for gloves in the morning, so please begin keeping an extra pair in the backpack if you are able.

*Please continue to work with your child to put on their jacket (zipping is a bonus), backpack, and shoes. As the weather gets colder, please work with them on putting on their own mittens/gloves as well.

Independence is celebrated often in class!

Pumpkins

We will be starting our unit on pumpkins next week. We will incorporate some fun Halloween stories and activities in as well. Red Ribbon week begins next week, and students are allowed to participate in dress up days. Please refer to the note sent home Thursday (also posted on Dojo) for specifics on the days.

In the Classroom

Mia is working on an apple book. (Red apple, yum! Yellow apple, yum! Green apple, yum! Blue apple, yuck!)

Ivory and Jaxton are checking out some of the firefighters' gear up close.

Luke, Elliannah, Quinn, and Adelyn built a kitchen out of the big blocks in the "Little Gym" (gross motor room). Luke is asking what everyone wants to eat!
