If you have not yet sent in a family picture, please send one in by next week. We will be drawing our families.

Great Start!

We had a great start to our school year! We have been learning the routine and focusing on taking care of our School Family. Everyone seems to be adjusting to the new routine and expectations.

We listened to a few Pete the Cat books the first week, and the students have really enjoyed the music. We have talked about taking care of our classroom, with some specific lessons on glue, scissors, markers, and cleaning up our toys.

We have done some About Me activities such as: graphing the number of letters in our names, creating a collage self-portrait, graphing how we get to school, and putting our "face puzzles" back together.

Book Order

This year, our class is reading with Scholastic Book Clubs! You'll have access to expertly curated, affordable books that help boost your child's reading skills, build your home library, and maybe even create moments of quality time you can share together.

Plus place an order of \$25 or more and you can pick a FREE \$5 book (use code READS at checkout).

Scholastic uses an online ordering only format.

**Our first Book Order Will Be Due
Thursday, September 12.**

Independence

As we get used to our routine at school, we are working on building independence. This includes toileting and washing hands, opening milk and snack packages, getting needed materials and putting them away, and cleaning up toys and trash. As the weather gets colder, we will work on putting on jackets and zipping them, and putting on mittens/gloves, and hats.

These are all things that can naturally be practiced at home as well. When your child has an independent moment, I would love to see a picture on Dojo - we can all celebrate together!
