

# PAVE THE WAY TO EXCELLENCE IN EDUCATION

Be a part of the new North Mac High School campus!

Commemorate a student, a loved one, your business, a classmate, your graduating class from any of the three high schools or any other momentous event with a brick paver from the North Mac Public School Foundation. All tax deductible contributions help the North Mac Public Schools Foundation continue to support our students. Brick pavers will create a new sidewalk along the east side of the new North Mac High School near the new baseball field.

### How to Order

Complete the form below. Each brick may have up to 3 lines with each line containing up to 15 characters, which includes spaces, commas and periods.
